Dawn,

I have added some additional edits to the briefing paper for Apache and M52 - OU2.

Subject: Fw: briefing for Keith for AZ SEA mtg Mon 8/24 2-3:30

Hello,

It's that time again... We need to up-date the AZ briefing paper for Keith. I'm hoping that you can use some of the same stuff that is in the transition paper for Clancy.

Sorry for the short notice, but please get the information updated by 3:00 pm on Tuesday (8/18) so I can get it to Nuria for inclusion in the bigger briefing paper. All are welcome at the 8/24 briefing...

Thanks,
Dawn

- OU3/WVB Boundary: WVB draft RI Report released on October 31st. ADEQ has not responded to comments. Roosevelt Irrigation District (RID) has met with ADEQ and EPA management as an “injured party” to make the following proposal: M52nd and WVB PRPs build a pump and treat system in WVB or perhaps OU3. RID would be responsible for O&M and deliver treated water to growing west Phoenix cities. KAT told RID to explore the idea further with the PRPs.
